Dear **Mr. Vinay Narayan Mahajan**

**Subject:** Registration confirmation for the PhD Program.

**Reference:** Your provisional registration number 10916020106.

Congratulations on the acceptance of your Synopsis by your Doctoral Advisory Committee and successful completion of your coursework.

We are happy to confirm your registration for the PhD Program of this University.

Your registration number is 20916020106.

You are hereby requested to confirm your acceptance latest by 18<sup>th</sup> December 2018. You are required to deposit the fees, as indicated in the PhD handbook, through a Cheque or Demand Draft, drawn in favour of "*The University of Transdisciplinary Health Sciences and Technology*" payable at Bangalore; failing which the registration will be considered withdrawn without any further intimation.

Details regarding fees for thesis/dissertation, resubmission fee, convocation, etc. are available at TDU website. These fees are to be paid as and when informed by the University. The responsibility to obtain and follow the rules regulations of the course rest entirely with the student.

You have to submit six monthly detailed progress reports through Doctoral Advisory Committee (DAC) to the University. You may get in touch with Mr. Ravi kumar G, Program Administrator (Academics) for any further information & clarification in this regard. His telephone No. is +91-80-28568000 and extension No. is 127.

With Best Wishes,

Yours sincerely

Commander R Giridharan (Retd)
